

Fulton County Government Services Survey

Thanks to those of you who have responded to my e-mail survey. Your comments and feedback are very important to me, and I encourage you to send me further comments any time!

I encourage all Fulton County citizens to respond to the questions below, so that I may direct additional attention to the services you find most important to you.

Please respond with a yes or no by each question below:

- 1) **Grady Health System** - Should we demand that the Grady Health System require residency and citizenship verification?
- 2) **Balanced Budgets** - Should we require that Fulton County balance its annual budgets without dipping into reserve funds?
- 3) **Water Needs** – Should we work with other jurisdictions on securing additional water capacity?
- 4) **MARTA Expansion** - Would you like to see the MARTA Board expand the north line up GA 400 to Windward Parkway?
- 5) **Courthouse Security** - Do you feel that enough has been done to secure the Fulton County Courthouse?
- 6) **Capital Spending** - Do you think that Fulton County should budget for building renovations and capital planning through a multi-year capital fund?
- 7) **Audits** - Should Fulton County audit each of its departments on a regular basis?
- 8) **Commission Members** - Should the Fulton County Commissioners be elected via staggered terms?
- 9) **Customer Service** - Should Fulton County provide a one-stop customer service center above the river in North Fulton?

Responses may be sent to RileyDistrict3@bellsouth.net. I value your input, and look forward to hearing from you.
