Fulton County Citizens Commission on the Environment Seeks Nominations for Environmental Awards by September 5

The Fulton County Citizens Commission on the Environment wants to recognize citizens, development projects and community organizations in Fulton County who work to protect the environment. Nominations must be submitted by Friday, September 5, 2008, in the following categories:

- Environmental Advocate
- Best Development
- Environmental Program

The Commission will present one Environmental Program award and one Best Development award. Five awards will be presented in the Environmental Advocate category. Nomination forms can be obtained through the Fulton County Environmental Affairs web page at <http://www.fultoned.org> or requested by calling Debra Jennings at 404-730-0250.
